

## Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When required, the staff members within TREK and its many dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machine that ultimately reduces your cost of cleaning. The price, the service and the product all work together to make them the leader in the industry.
