

Forklift Electrical Part

Forklift Electrical Parts - Lift trucks as well as various lift trucks may have specific labels utilized in some hazardous locations. The label indicates that this certain model of forklift meets the minimum standards of ANSI/UL 553 used for electric lift trucks or ANSI/UL 558 utilized for internal combustion engine lift trucks.

The application for labels utilized for lift lift trucks can be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Areas or Use, Maintenance and Operation, and Type Designations. Check with your local insurance carrier and Fire Marshall for more info on the approved uses of industrial powered trucks in your application.

If the lift truck has been found to meet the outlined criteria, the following labels may be attached. A labeled truck will have the model description put on the forklift nameplate and would have one of the following labels placed.
