

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known within the business as strong and durable equipment which suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to provide components, warranty service and machinery for these scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where efficiency and results make a difference. Lately, this floor scrubber model has been requested by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
